I am guessing we will hear from her on/after your return. She is reviewing hundreds of pages of Dewey Burdock permit docs!!

Please send the version you would like Omar to post for my review.

In case you weren't aware. I have vacation time afternoon on Friday through Tuesday the 25th. Not sure if this will impact WPX AE publication but I have the Public notice prepared and will give it to Omar tomorrow in case. Not sure how long it will take Darcy to review AE if that is her intent.
